World games: in Idaho- Andrew Hines is the athlete that has been selected for world games from Area 11. He will participate in skiing. We have a corporate sponsor for Andrew, however we have quite a bit of money-maybe we could think about soliciting to other businesses so we could help out other areas that don't have as much money as we have.

Fliers have been distributed also. October is next fundraising meeting.

Becca: National golf tournament in Florida- registration is in- all forms have been taken care of.

Hazelwild has two other Horse shows and can't spare horses for the Lexington equestrian tournament. We are working on details for the show, might have a horse, and a volunteer for the show.
